

Our Summer Term

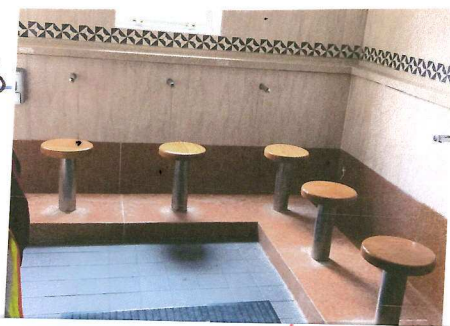

We visited a Mosque.

This is a part of a mosque ~~where~~ and they go. This part of it is where they wash their hands.

I saw a big lit light

This is a shoe rack in a mosque where Islamic people put their shoes.

Every year we do something called colour dash. We do colour dash to ^{raise} money for LGH.

Every year Somerby school do something called the colour dash it's when the school teachers go dry run + all the children.

We took part in a colour dash.

Every year we do the colour dash the colour dash is when we run around and the teachers throw powder at us. I enjoyed the colour dash but I didn't like the part when I had to wash the powder out of my hair.

We loved exploring the new laptops.

Because we now have a new computer in our class.

We enjoyed a sunny sports day!

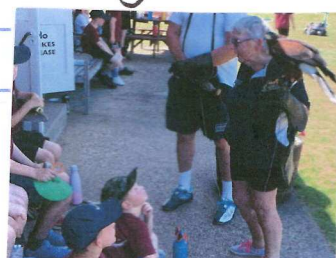

This is sports day it was very sun because we got sporty!

Every year ~~we~~ Somerby do something called sports day it's when Somerby run around the field, do egg and spoon races, play javelin and the relay race.

I liked sports day because green team won. I was excited it was sun.

We had a good day at a cricket and countryside event!

This is a water gun from America and it is water gun.
