

Pure Imagination

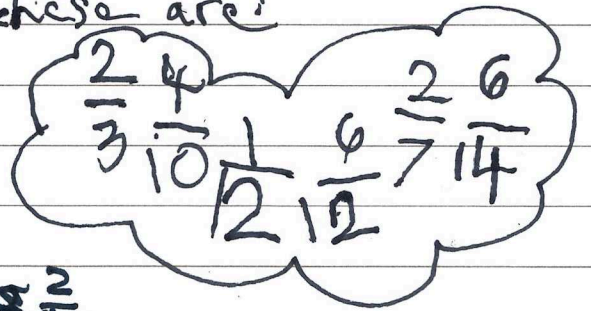

We have been using our imagination.

Science

We held lambs in science
we R ~~the~~ and we fed them

What other animals these are!

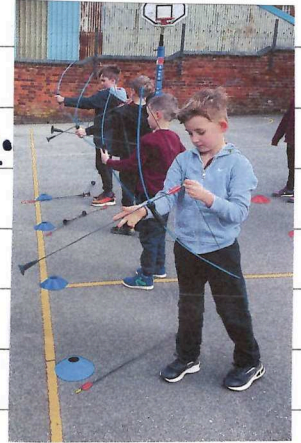

Maths $\frac{1}{2} 12$ equivalent to $\frac{2}{4}$.

PE This is quite hard" said E.Vie.

We have been learning how to shoot a bow and arrow in archery.

English we found dragons eggs and made a cosy nest for them. we imagined dragons and described them.

Music

We have been learning to play glockenspiels.
