

Willow Class Autumn Term 2

This term our topic is “Once Upon a Time” and we have been thinking about our big question - what makes a good story?

We have been reading traditional tales including The Three Little Pigs, The Magic Paintbrush and The Gingerbread Man and have been enjoying our role play theatre as well as thinking about character and setting descriptions.

We have been finding out about different countries around the world as well as painting using watercolours.

In science we have been learning about different materials and enjoyed finding waterproof materials that would help keep ginger biscuits from getting wet! We have also been finding out about Autumn and identifying different trees and leaves.

Forest school has also been fun and we have built different homes for the three little pigs.

And there is still more to learn about before Christmas, including our nativity play!
