Welcome!

Welcome!!

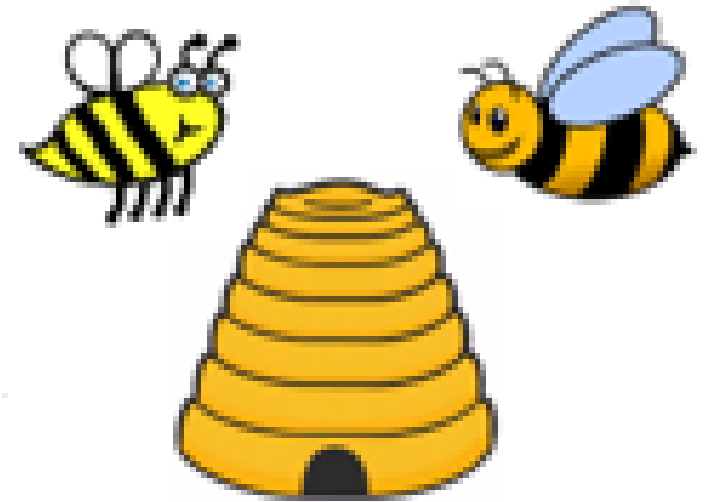

- Housekeeping
- Introductions
- Rationale:
 - to feedback and suggest improvements, to help promote positive and effective two-way communication between parents and the Trust. **The improvement of children's learning experience** is the Forum's clear and consistent goal.
 - During these meetings **we will not** be discussing items relating to specific pupils, specific parents or individual staff: this should be discussed one to one with the relevant teacher or Headteacher as appropriate.

Feedback from Parents What is Working Well..

From my perspective, pretty much everything.

Most things!

Feedback from Parents: Improve?

Afterschool clubs seem to have become less stimulating/exciting.

So far we have offered:

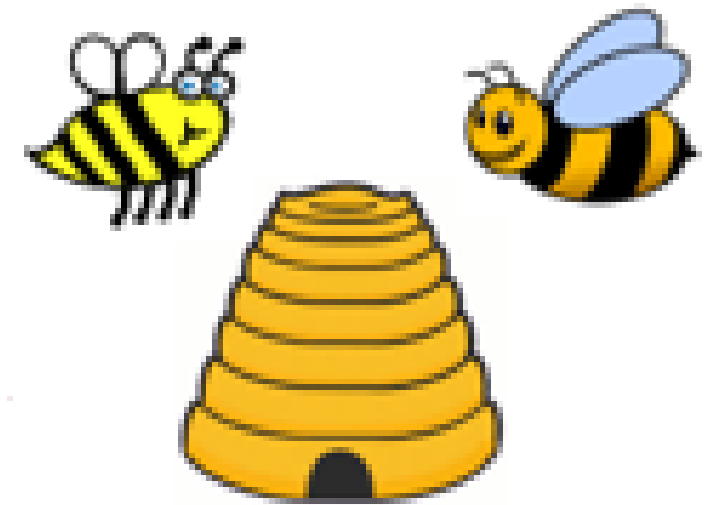

Choir , Makaton, French Puzzles, Sewing, Lego, Multi-Sports , Book Club, Craft Club, ECO club, SATS booster, Problem Solving, Gymnastics

Limited to the expertise of our staff

From Sept – a permanent Tuesday sport club

Parent expertise?

Why has Willow and oak had class trips but not ash at all

Each class will have had two class trips by the end of the year. Willow went to the Museum, Ash went to Ferneley's and Oak have been to Rutland Museum and Rutland Water.

Summer term, all children attending either the residential or Oakham Castle and Y6 will go to Warning Zone.

Feedback from Parents: Improve?

I feel I don't have visibility of homework set for my child. Perhaps he has none (and I would prefer that to be the case) or perhaps I'm not looking in the right place (I do use Dojo).

Spellings, Reading and TT Rockstars.
Children are reminded of this each term when we welcome them back.

Gate opening times can be late.

Please inform me on Dojo if this continues.

Feedback from Parents: Improve?

I would like alternatives to a shared parents' evening appointment to be offered for those parents who are no longer together.

For a class of 20 (Oak) and 15 minute appointments, this takes teachers 5 hours to complete, on top of their day, not including preparation time. AB Kettleby have 30 children which equates to 7.5 hours.

I have to consider workload / length of the day for teachers – as this is extra/unpaid work.

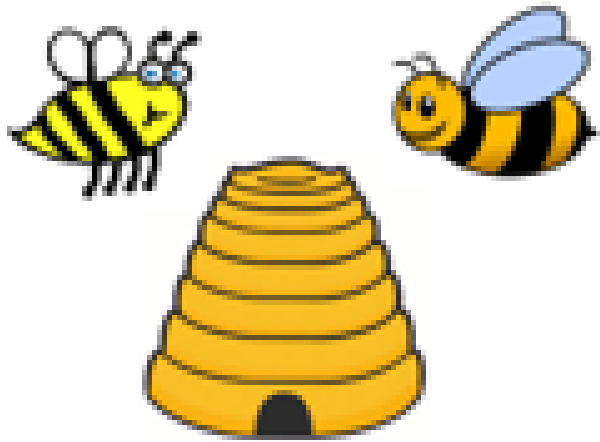

However, we will always ensure both parents are kept up to date via email if they are unable to attend the meeting.
