

Autumn 2 – Glorious Greeks

This term we have been learning all about the Glorious Greeks. We have enjoyed ... ourselves in Ancient Greece. In English we have retold Theseus and the Minotaur and we have created a fact file all about the Ancient Greek Gods. We are very proud of our writing.

In history, we have loved learning all about the Greek Gods, the story of the Trojan Horse, the first Olympic Games, Ancient Greek philosophers and lots more! We had the opportunity to use real Greek artifacts to support our learning, we enjoyed creating playdough busts of Socrates, Plato and Aristotle. we even held our own classroom Olympics.

We have also enjoyed designing and creating our own Ancient Greek Pot. We made these out of clay and painted our Greek design on the side.

We have been transported around the world in Geography. We learned all about the 7 continents and tasted different foods from around the world. We also found each continent on maps, globes and in atlas'.
