

Willow Class Autumn Term 2

This term our topic is “Animal Antics” and we have been thinking about our big question – are we animals in disguise?

We have been enjoying choosing and reading our class stories including Brown Bear, Brown Bear What Do You See? The Ugly Five, as well as Elmer. We made our own fantastic animal poem which we have been reading all term! We have also been writing instructions for how to make pancakes and smoothies, which were delicious.

In maths Year 1 have been busy learning addition and subtraction number facts and reception have been learning number bonds to 5.

In science we have been learning about and labelling all sorts of different animals, including the fish from the school pond! We are now experts at deciding whether animals are mammals, birds, fish, or reptiles. In geography we have been learning about the weather and making our own weather diaries.

And finally, Willow class did a fantastic job of performing in our school nativity “Hey Ewe!” Our singing and acting was Baaaaa-rilliant!

Next term we will be learning about toys, past and present in our “Toy Story” topic. I wonder what we are going to find out?
