Welcome!

Welcome!!

- Housekeeping
- Introductions
- Rationale:
 - to feedback and suggest improvements, to help promote positive and effective two-way communication between parents and the Trust. **The improvement of children's learning experience** is the Forum's clear and consistent goal.
 - During these meetings **we will not** be discussing items relating to specific pupils, specific parents or individual staff: this should be discussed one to one with the relevant teacher or Headteacher as appropriate.

Ofsted Feedback 2022:

Areas For Improvement:

The curriculum in the early years is not always well planned or considered. Children do not always get access to provision that helps them to enrich their vocabulary and learn well. Leaders should develop the provision in the early years so that pupils' experiences enhance their learning.

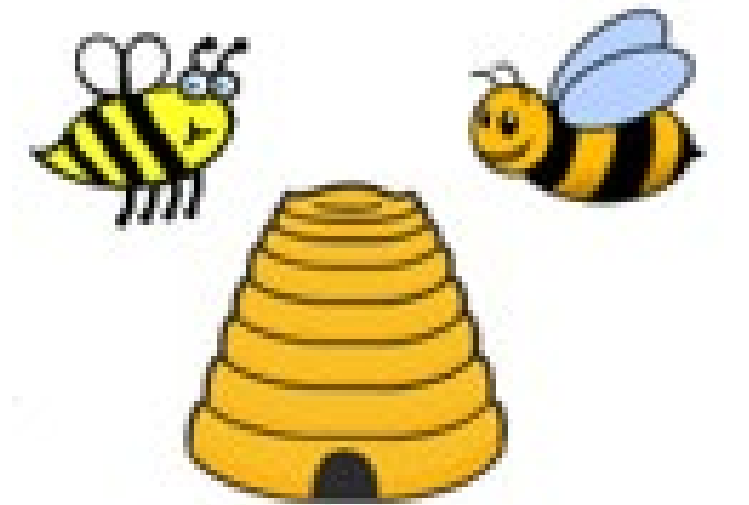

The curriculum in some subjects is new. In these subjects, leaders have thought carefully about curriculum content and the order in which it should be taught. However, the monitoring of the delivery of these subjects has not yet taken place. Leaders should ensure that time is given to monitor all areas of the curriculum.

Feedback from Parents

What is Working Well..

Pretty much everything

Most things

I think everything works well for my child. He's very happy at school and enjoys the routine he has.

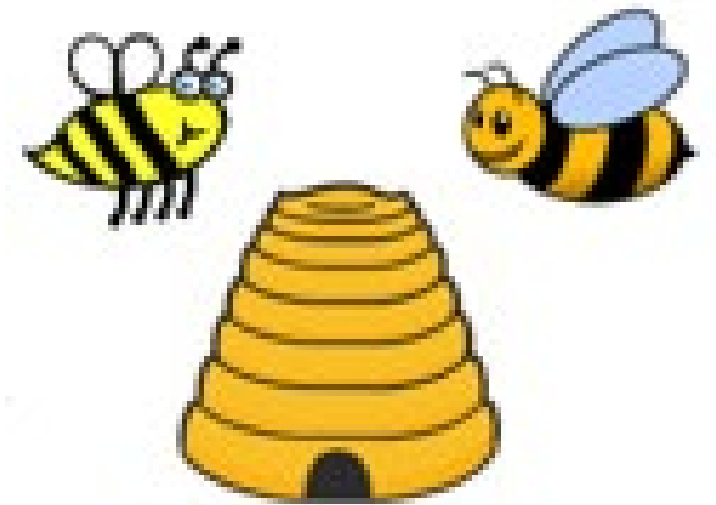

I don't feel personally there is anything that can be improved. I've not had any issues to make me think otherwise.

Welcoming culture.

Photos on class dojo give far more of an idea of child's day than child :-)

The Christmas decorations session was lovely

I love all the after school clubs you are now offering and swimming.

Feedback from Parents: Improve?

Improvement of Children's Learning Experience

The improvement of children's learning experience

Breakfast club; after-school provision/clubs Mon
through to Thursday.

Wrap around provision but I understand this is currently
unviable.

Did you manage to find anymore out about before and after
school club due to Rosie not childminding anymore?

Road safety. During drop off/pick up time a number of
very large vehicles park entirely on the pavement. This
forces children to walk in the road because there is no
pavement on the other side of the road (running
alongside the pub.) Not specifically a school issue but if
we could remind people to park considerately and not
completely block a right of way.

Questions

Are you happy to have volunteers?

My child is currently worried he doesn't know his 6,7 & 9 times tables and is worried about this when he goes to secondary school.
