Welcome!

Welcome!!

- Housekeeping
- Introductions
- Rationale:
 - to feedback and suggest improvements, to help promote positive and effective two-way communication between parents and the Trust. **The improvement of children's learning experience** is the Forum's clear and consistent goal.
 - During these meetings **we will not** be discussing items relating to specific pupils, specific parents or individual staff: this should be discussed one to one with the relevant teacher or Headteacher as appropriate.

Reflecting on our Journey since Summer 2021

Parental Feedback then...

- Swapping Staff – inconsistency / MET
- Communication – Where do parents find out information – Dojo/email?
- How do parents make contact with teachers if there is a problem or message to give?
- Quality and consistency of after school clubs.

We are delighted that Somerby Primary School have achieved the School Games Gold Mark! A big thank you to all the children, staff and parents who have made this possible. We are very proud of Mrs Brown (Sproty) who coordinates coordinator all our sports and makes this happen for our children 🤗 🙌 🙌

Feedback from Parents What is Working Well..

Everything!

School looking smart and feeling organised. Children seem really happy and calm in class, a great learning environment.

At this moment I'm very satisfied with the provision provided.

I just want to say how much we really appreciate you all at Somerby. I understand this is a really difficult time for teachers and staff at the moment.

Providing the children with the consistent education that you are, especially during strikes, isn't lost on us, thank you.
