# Welcome!

# Welcome!!

- Housekeeping
- Introductions
- Rationale:
  - to feedback and suggest improvements, to help promote positive and effective two-way communication between parents and the Trust. **The improvement of children's learning experience** is the Forum's clear and consistent goal.
  - During these meetings **we will not** be discussing items relating to specific pupils, specific parents or individual staff: this should be discussed one to one with the relevant teacher or Headteacher as appropriate.

# Feedback from Parents What is Working Well..

Everything is working well!

I'm not sure how you can improve it! It's a fab little school!!

All is great

My daughter has recently made use of the ELSA sessions which, I believe, have helped her a lot. It is a relief to know, as a parent, that there is extra support for your child when it is needed.

# Feedback from Parents: Improve?

The improvement of children's learning experience

I have no complaints from my children (apart from the school dinner menu).

Any planned changes with reduced numbers of children in some years . ie losing teachers or aids
