

# Charging, remissions and lettings policy 2020-2021

**Author:** Executive headteacher

**Date agreed:** March 2020

**Version:** 1

**Review requirements:** 1 year

**Next review:** March 2021

**Approved by:** Chair of governors

## **Our aim and values at Ab Kettleby Primary School and Somerby Primary School**

Our aim currently been worked on, to reflect the great work we do.

It will show what values we promote and explicitly teach in our curriculum, so we help build great children who are a credit to themselves, their family and their school.

We want the children to try their best in all that they do – to aim high to achieve the best they can.

### **Responsibilities**

The governors of the school are responsible for determining the content of the policy and the headteacher for implementation.

### **Publication**

This policy will be published on the school website.

### **Monitoring and evaluating**

This policy will be monitored as part of the schools' monitoring and evaluation programme.

### **Inclusion and equality statement**

Our school is an inclusive school. We aim to make all children feel included in all our activities. We try to make all our teaching fully inclusive. We recognise the entitlement of all children to a balanced, broadly-based curriculum. We have systems in place for early identification of barriers to their learning and participation so that they can engage in school activities with all other children. We acknowledge the need for high expectations and suitable targets for all children.

We actively encourage equity and equality through our work. No gender, race, creed, sexuality or ethnicity will be discriminated against. The school's Disability Equality Policy will be followed and the use of stereotypes under any of the above headings will always be challenged.

## **Charging and remissions policy**

These policies are based on information from:

- The Education (School Sessions and Charges and Remissions Policies) (Information) (England) Regulations (1999)
- Charging for school activities Departmental advice for governing bodies, school leaders, school staff and local authorities (May 2018)

### Basic Principles

No charge can be made for education during school hours. The definition of 'education' includes materials, equipment and transport provided in school hours by the Local Authority or the school to carry pupils between the school and the activity. 'School hours' are those when the school is actually in session, and do not include the break in the middle of the day.

School trips, visits and practical activities enhance the pupils' learning and broaden their knowledge and experience. These are undertaken with the voluntary contributions of parents. No pupil will be excluded from an activity because his or her parents or carers cannot make a voluntary contribution. The opportunity to pay in instalments will be offered to parents or carers who wish to pay in this way.

### Exception

There is an exception to the rule about not charging for activities in school hours. Charges may be made for teaching either an individual pupil, or pupils in groups of up to four, to play a musical instrument if the teaching is not part of either the National Curriculum or a public examination syllabus being followed by the pupil. The current charges for music lessons vary depending on the instrument taught and number of pupils learning. Lessons must be paid one term in advance. There will be no refunds for missed lessons.

### Voluntary contributions

Parents or carers may be invited to make voluntary contributions to extend the value of school funds. If a particular activity cannot take place without some help from parents, this will be explained at the planning stage. In any circumstances where the school is unable to meet the costs of an activity, the activity will be cancelled. If a planned activity has to be cancelled any monies received will be returned. Parents or carers will be asked to make voluntary contributions to school trips, visits or for practical activities such as technology. These contributions will not exceed the actual cost. Where an outside provider is used for a school activity, a voluntary contribution may be sought.

### Residential activities

No charge is made for a residential activity taking place largely during school time where this charge is for education or for the cost of travel. Charges are made to cover board and lodging. Children of parents receiving Income Support or Family Credit have the right to claim free activities.

### Breakages

In cases of wilful or malicious damage to equipment or breakages, or loss of school books on loan to children, the headteacher, in consultation with the Chair of the Governing Body, may decide it right to make a charge.

In case of financial difficulty parents should contact the headteacher.
