

Autumn 1 - Being Unique

We have enjoyed learning all about how we are all unique this term!

We have learnt all about writing adjectives in English. We wrote them to describe ourselves and we wrote some to describe a monster that we created! But everyone's favourite topic was writing instructions because we got to follow a set of instructions to decorate delicious monster biscuits!

In Maths we have been practising our place value knowledge. We have been learning what each digit is worth and using this knowledge to order and compare numbers. We have also started to use our place value knowledge to add and subtract numbers.

In our PE lessons, Kat has been helping us learn football skills. We have learnt how to dribble and control the ball. We can confidently stop the ball with our feet and bodies too. Teamwork skills have played a main part in our lessons.

In art we have looked at how to make different marks and textures using charcoal, pencil and coloured crayons. We worked incredibly hard to focus on our final piece, an observational drawing of our favourite teddies.

In our DT lessons we made worry dolls. Then, we learnt how to sew. We practised different stitches e.g. running stitch and back stitch. Then, we used everything we had learnt to create our own bags for our worry dolls.
